

WEST BLOOMFIELD TOWN BOARD
Informational Meeting Regarding the Town Hall

February 17, 2009
7:00 to 9:00 pm West Bloomfield Fire Dept.

Present: Supervisor Champlin, Councilmen Hagen, Rehberg, Miller, Ferguson

Also Present: Town Clerk Mary Grundman, Code Enforcement Officer Scott Storke, Paul Chatfield-Chatfield Engineers, Tom Simbari-Simbari Architect, Tim Rock and Mike Keim – Larsen Engineers, Floyd Herrick-Herrick-Saylor Engineers, Jim Salmon-Professional Home Inspection Services, Dan Stanford and John Riley - Corcraft

Supervisor Champlin opened the meeting at 7:00 and introduced the speakers for the meeting.

Dan Stanford from Corcraft explained that he was with the state corrections department and the service they provide for construction of buildings.

Paul Chatfield from Chatfield Engineers gave a presentation on the history of the Town Hall inspections and discussions involving repair or replacement of the building since 2002.

Tim Rock and Mike Keim showed pictures of and explained their inspection and the reason the Hall had been closed.

Jim Salmon provided the results of his inspection in March 2008.

Floyd Herrick provided his inspection results from 2009.

The floor was then opened so residents could speak to the presenters or the Board and ask questions or make suggestions. All residents were asked to contact the Board if they wanted more information or wanted to offer a suggestion.

Respectfully submitted,

Mary Grundman
Town Clerk
